Do you want to make new friends for yourself and your children? Socialize with other Temple Members in a small group?

Join a Havurah!

The word "Havurah" (plural: Havurot) means fellowship or friendship. Each Havurah is a small community of congregants who meet in each other's homes to socialize, celebrate and/or study Jewish life together. The Havurah draws its members together and becomes an extended family, enabling personal relationships to develop. Participants experience the warmth and good feelings that come from a sense of belonging. Each Havurah sets its own course. They meet on a regular basis, at a time chosen by each group.

The Havurah Committee will attempt to get like-minded folks together and facilitate the formation of new Havurot, so if you are interested please fill out the form below and mail/deliver/fax to the Temple office. (Even if you've filled out a similar form in the past, please do it again - the Committee is starting with a clean slate this year!)
